Amendments to the Specification:

Please replace the paragraph beginning on page 6, line 8, with the following rewritten paragraph:

Fig. 18 is a flowchart showing a subroutine at the time when a script creation server 30 checks respective functions constituting a job flow;

Please replace the paragraph beginning on page 13, line 4, with the following rewritten paragraph:

The script describes all information relating to the control of the cooperative processing of the services in the element of the <flow>. <Flow>. By this, the cooperative processing itself expressed by the script is also regarded as one service. Incidentally, the script is not limited to the structure shown in Fig. 5, and it is sufficient if the respective services can cooperate with each other.

Please replace the Abstract with the attached substitute Abstract.
